

Colorado State Board of Education

TRANSCRIPT OF PROCEEDINGS
BEFORE THE
COLORADO DEPARTMENT OF EDUCATION COMMISSION
DENVER, COLORADO

June 9, 2016, Budget Meeting, Part 5

BE IT REMEMBERED THAT on June 9, 2016, the
above-entitled meeting was conducted at the Colorado
Department of Education, before the following Board Members:

Steven Durham (R), Chairman
Angelika Schroeder (D), Vice Chairman
Valentina (Val) Flores (D)
Jane Goff (D)
Pam Mazanec (R)
Joyce Rankin (R)
Debora Scheffel (R)

1 CHAIRMAN DURHAM: I think it's always
2 advisable to submit to current law. And that's our best
3 estimate, the current law. It's also appropriate to advise
4 the legislature. There are ways to achieve some savings
5 should they elect to do so. But I think the Budget
6 Committee is theoretically obligated to appropriate to
7 current law -- so okay. All right. Yes, Doctor Scheffel?

8 MS. SCHEFFEL: Can I just ask you just a
9 context question? So we look at the budget every year. Can
10 you just remind me of the timeline for the budget in which
11 we look holistically at the budget? And this is an
12 additional piece. Can you speak -- talk to the timeline?

13 CHAIRMAN DURHAM: Please.

14 UNIDENTIFIED VOICE: Mr. Chair. Well, Board
15 Member Scheffel, I'm not sure, we -- we did begin showing it
16 to you last year, and I want to say that was in fall time
17 frame. And that's mostly because the -- the submission
18 really starts being developed in terms of nuts and bolts
19 from August to about October. So we would have something to
20 look at in a draft form probably mid to late September. But
21 it wouldn't actually be final, particularly total program
22 and school finance are sometimes the last thing to be set
23 because it's the biggest line in the state budget, so they
24 arrange everything kind of around it, and save it for last.

1 So we would have draft documents to look at early to mid
2 fall.

3 MS. SCHEFFEL: Okay. Thank you

4 CHAIRMAN DURHAM: Okay. Further questions?
5 Thank you very much. I appreciate it.

6 UNIDENTIFIED VOICE: Thank you.

7 CHAIRMAN DURHAM: I think we're going to do,
8 we're behind schedule, some -- we gonna take a ten-minute
9 break, probably plan on working through lunch until we
10 finish. And then those that want to stay and have box
11 launch when we're done are welcome to do that. So we're
12 gonna -- we'll take up item six, content exams for
13 educational license or endorsement immediately. We'll start
14 at 11:00.
