

# QUESTIONS RELATED TO THE COMMUNITY

**COLORADO**  
Department of Education

- What community resources or institutions does your family participate in/utilize? (e.g. churches, community centers, etc.)
- What are important places in the community for your child and/or family?
- What resources in the community have been important or supportive to the family?
- What resources in the community have *not* been supportive to the family?
- What community resources might be helpful?
- Where in the community do you/your family feel like you belong?
- Are you involved in any cultural community groups?
- What made you choose to enroll in [your particular school]?
- What has your experience been with the school?
- Has the school met your expectations? In what ways has it/hasn't it?
