EC@N-STEM P-TECH (Northglenn)

Adams 12 P-TECH runs summer camps for incoming 9th (CSQL 1.0), 10th (CSQL 2.0), 11th graders (CSQL 3.0) and a P-TECH Ops Academy for incoming 12th graders.

Here is a brief overview of the summer camps/experiences:

- CampSQL 1.0 - Hosted by the high school. Building community within the cohort; Touring all of our partner campuses and meeting the mentors; coding training by one of our industry partners

- CampSQL 2.0 - Hosted by industry partner. Training by mentors, job shadows, hands on technology opportunities, Mentor Recognition BBQ

- CampSQL 3.0 - Hosted by higher education partner. Lesson by academic support services, Accuplacer testing for math and English, attend a college class

- P-TECH Ops Academy - CSR, international job opportunities within the company, cybersecurity training
