* Fall 1998 is the first collection period that school district/BOCES' human resource (HR) data was transmitted electronically to CDE through the Automated Data Exchange Project (ADEP). Some districts/BOCES experienced difficulties in updating their systems to incorporate the data elements as defined and/or may not have reported in accordance with the definitions.

** Teacher counts (528.8 FTE) from 1997 were added to Fall 1998 Total Teachers for those districts that were unable to transmit data electronically.
